Jennifer Barbee

Horseman of the Year

SJPHC and NCPHC are once again proud to nominate Jennifer Barbee as the Horseman of the Year.

The name Jennifer Barbee brings a smile to my face. You can't think about her without hearing her infectious

laugh in your head or delighting in the humor and light she brings to our platform. Jennifer embodies all things great about promoting the American Paint Horse. She believes in our industry and freely shares her enthusiasm with anyone who is interested in discovering more about the American Paint Horse, from a local level all the way to our parent Association (APHA), she encourages people of all age categories, new or experience, to get involved or stay involved.

For the last three years, Jennifer has made huge strides in advertising and promoting the California Paint Shows put on by SJPHC and NCPHC. She manages the Fall Color Challenge and All Breed Show in innovative ways, bringing new people to the show with creative forms of advertising through email, Facebook, Instagram and utilizing the support of APHA. The shows have been unique and successful, and everyone had an amazing time, mainly due to Jennifer's expertise in directing her volunteers on how to achieve new goals! I have known Jennifer for more than 17 years. She is a hard working individual and a great example of someone who embraces her passion.

As for Jennifer's qualifications, she's been a busy lady over the past 19 years. She began showing at APHA Shows in the all-around division in 2005, with an emphasis on Horsemanship, Showmanship and Trail. She has owned multiple Paint Horses, but her name is mostly synonymous with the name "Gotta Be A Hotrod," Jennifer's beautiful and talented boy who everyone knew as Eddie. Eddie took her to new heights and showed her

how amazing a true all-around horse could be. He was one in a million! Now, she is campaigning her homebred 2020 gelding, "Make Mine Chilled," already a 3x World Show Champion and most recently 2024 Reserve National Champion in Jr. Trail. She invests her money in our industry!

Within the last 3 years, through her personal efforts, CCC has brought in nearly \$50,000 of combined cash and products from sponsors to benefit all CCC clubs and exhibitors. Since 2018, Jennifer has been the California Coordinating Committee (CCC) Chairperson and has assisted on the Audit, Awards, and Banquet Committees. She makes contributions utilizing her professional experience in financial planning and analysis, forecasting entries year over year, and projecting the availability of funds for the year-end awards. Over her years of voluntary service, she also led the Marketing Committee, redesigned the CCC logo and website, revamped CCC's sponsorship offering, and exploded CCC's social media presence.

Since 2020, Jennifer has served as an APHA State Director. She has attended each Convention (now, Leadership Gathering), mostly on her own dime, to represent California and CCC interests. Jennifer's voluntary service has been rewarded with new opportunities. She is currently the Chairman of the APHA Rules Committee, a committee she joined 2022. Prior to that she served one year on the APHA Long Range Planning Committee and was on the APHA State Directors Nominating Committee for the 2023-2025 term.

Jennifer's heart is entwined with our Breed of Choice. She is an active member and President of SJPHC (since 2022), a member of CPHA (and their 2nd CCC Rep) and other clubs since 2005. She is a California Representative to the Zone 2 Coordinating Committee and was also Vice Chair of the Zone 2 Committee in 2023. As an exhibitor, a volunteer, a Show Manager, a Club President, as the Chairperson to CCC and an ongoing APHA Director to APHA, she wears many hats and that is what makes her the obvious choice for the 2024 Horseman of the Year Award. We take "our hats" off to Jennifer Barbee and thank her for all that she's done for us!

2024 WINNER

Asta Oelsner & Invest In Tats Rhythm

With great pride, we write this article in honor of our sweet, kind daughter, Asta Mathilda. Sportsmanship is a learned trait, one that can take years to perfect. It is innate and cultivated, a behavior shaped by experience, mentorship, and personal values.

Asta has exhibited an exceptionally caring nature from a young age. She always seeks ways to express appreciation, whether through artistic representation, creating heartfelt gifts, composing poetry, or crafting rhymes and riddles. Her kindness is an integral part of who she is, and it is no surprise that this compassion has begun to shine through in moments when it is most needed.

True sportsmanship is often reflected in quiet moments of integrity and kindness. Grace and selflessness are fundamental to being a good sport, and Asta effortlessly embodies these values. She has had the privilege of learning from the wonderful individuals at TS Paints who came before her. Asta now carries forward the camaraderie, respect, and care lessons they have imparted. The TS Paints family has been an invaluable support system, fostering an environment where every member's achievements are celebrated

as if they were their own. This award is a testament to the guidance and encouragement of Melissa Sachs, Linda Tacklind, and the TS Paints family, who helped shape a culture of mutual respect and unwavering support.

With deepest gratitude and immense pride, we extend our heartfelt congratulations to our dearest Asta. This recognition is so well deserved, and we could not be more proud of the compassionate and graceful young woman she has become.

With love and admiration, Mom & Dad (Karla & Thomas Oelsner)

She's So Pure Memorial Trail Award

Beginning in 2003, Kristi Abrams is sponsoring this award in honor of her World Champion Trail Horse who passed away in 2002. The award will go to the high point Novice Amateur or Amateur in the trail division.

2024 Winner

Sue Merchant & Two Timin Gentlemen

I am incredibly honored and grateful to have received this award for the third time. Thank you, Kristi Abrams, for sponsoring such a meaningful recognition. Trail is one of my favorite classes because of its unique blend of challenge and reward. For the past nine years Rowdy and I have shared an incredible journey as a trail team, and he continues to amaze me, surpass my expectations and make dreams a reality. With so many talented novice amateur and amateur trail horses out there, receiving this award is truly humbling. Thank you, Rowdy, for every unforgettable ride, and thank you Kristi, for this extraordinary honor.

All-Around Champion Youth Walk/Trot Faith Fleeman and Just Call Me Steve

“Steve” and I are so proud and humbled to call ourselves the Walk-Jog All Around Champions!

I am a freshman this year at Woodlake Union High School, where I also play Volleyball. I find extra time to ride Steve on the weekends with the help of my trainer, Whitney Nevels. Steve and I have been a team now for 3 years, growing together immensely over that time period. My favorite and most challenging class would be trail because there are so many things to think about at once, and when they come together it's very rewarding!

Some highlights that I had this year would be winning the all around Walk jog 18 & Under at Gold N Grand in March. Then winning a

western national championship in youth halter geldings at the APHA Western Nationals in Las Vegas. We also traveled to Nampa, Idaho in July for the APHA Zone One show which was a fun new experience.

I would like to thank Steve for the great rides, my Grandma and Papa for all the love and support, and my trainer Whitney for all of the guidance and encouragement along the way. I'm looking forward to the 2025 show year and can't wait for the laughs, challenges and good times to start!

All-Around Champion Novice Youth Asta Oelsner and Invest In Tats Rhythm

Photo Credit: Kelly Henningsen

I was quite surprised to have won the state championship in Novice Youth. There was so much great competition throughout the whole year. It was a big step up from showing with kids my age to showing with kids who are older than me. It has definitely helped having such an amazing horse to ride. I am such a lucky girl to have the opportunity to ride a once-in-a-lifetime kind of horse. Melody is so talented and such a sweet horse. She is truly the dream horse! I can't believe I have been leasing Melody for over a year and a half. Time has really just flown by riding her. My favorite thing to do during the week is going to the barn and training with Melody. She always brightens my day!

The class I have improved in the most this year was definitely showmanship. Melody has always been good at showmanship. It was just me! I gained so much confidence throughout the year. When I went to Western Nationals, we won the 13 and under showmanship. I was so happy I couldn't believe it. I was always good at showmanship, but I really improved and became more confident.

I have had such an amazing show season riding Melody. We got to go to so many great shows. We went to Western Nationals in Las Vegas. Melody did so well there. In August, at the SJPHC show, Melody, me, my mom, and Melissa won the SJPHC trail horse scooter for the second year in a row. I am so proud of this accomplishment. My favorite thing to do with Melody is definitely trail. She is such a cool trail horse!

I am very grateful for Melissa Sachs and all the work she put into helping me succeed. I'm so so grateful that I have such an amazing trainer. I am very proud to have won Novice Youth with Melody.

To eventually follow in Melody's footsteps, we welcomed baby Bluey in 2023. This year will be his first show season under saddle with Melissa Sachs. I won't be showing him right away, but I am super excited for future show seasons to come. I am ready for this new adventure. I look forward to me and my family seeing him grow up under the care of Melissa Sachs.

All-Around Champion Youth All Ages

What is your most difficult class, and how did you overcome it?

My most difficult class this year is probably the rail classes. The way I overcame this was by practicing and practicing because practice makes perfect. Although we didn't always win, we always gave it our all. Me and Melody have definitely improved a lot this show season and have deeply bonded throughout the year. I have learned so much during the show season.

How much do you plan on showing in 2025? In 2025 I will probably be showing less than all my other years because I have a new baby horse, Bluey. He is just turning 2 this year. However, I will definitely be there to cheer for the whole barn and for Bluey.

What is the biggest achievement that you have accomplished with your horse this season? My biggest achievement this year was definitely going to Western Nationals and winning the Showmanship with Melody. Melody was amazing and I am very happy that I got the opportunity to show Melody at the Nationals. I was very surprised and very, very happy that we won the 13 and under showmanship. I was also so very happy when I got the reserve champion in the Novice Youth Trail. It was such a big class with lots of kids who were a lot older than me. Me and Melody did so well and I was very proud of her.

Who would you like to thank for your success this year? I would like to thank Melissa Sachs and Linda Tacklind for supporting me throughout the whole season and giving me the chance to ride one of their home-bred horses. This was a dream come true for both me and my mom. I am also so grateful to Hadley for trusting me with her amazing horse. I am very grateful to my whole family for being such a big support and always cheering me on. I am especially grateful to my mom for always being there and helping me at the horse shows. It's been amazing having something that we both love. I would also like to thank my success to Melody for being an amazing horse.

How long have you owned your horse? I have been leasing Melody for a year and a half, maybe a little more. Melody has really jump-started me into a loping career. She is such a great horse. Melody is definitely my favorite horse. She's the best horse I've ever ridden.

Who is your trainer? My trainer is Melissa Sachs. I have been training with Melissa since I was six, and I am now almost 15. I've been riding there for almost 9 years now which is amazing! Everything I have learned was from Melissa.

What was your favorite horse show, and why? My favorite horse show of the year was definitely going to have to be the Western Nationals in Las Vegas. I had a blast. I had so much fun hanging out with the barn family and showing with Melody. We had great competition. There were so many kids there, and I was very grateful to be one of them and to get the opportunity.

Outside of showing, what is your favorite pastime? Outside of school I train at the barn a lot. I hang out with my friends, and I crochet. Crochet is probably my favorite pastime other than horseback riding. I also quite enjoy being in nature, running, and hanging out with my family. Skiing is a winter favorite, and I love the most difficult slopes.

All-Around Champion Amateur Walk/Trot Jeanne Vaughn and Make Me A Proposition

After returning to riding and showing in 2023, and being out of the "horse thing" for 15 years to start a family, I would have never imagined a reasonable goal would be to earn an all-around champion award in 2024. Our family purchased Make Me A Proposition in 2023 for Brielle and I to share, while exposing Brielle to a hobby that I have always loved. We are blessed to be a part of the TS Paints barn family and truly appreciate our teammates, and especially the guidance, support, and confidence-building provided by Melissa Sachs and Linda Tacklind.

All-Around Champion Novice Amateur Amy Thomassen and Keepthedoublescomin

I am excited to be adding CA State Paint Horse All Around Champion Novice Amateur to our list of accomplishments. Keepthedoublescomin aka Gordon and I continue to grow as a team and I am very proud of our show career together. This year we moved up in divisions, and while finding it challenging, our first Novice year was a lot of fun.

I would like to thank Karen Qualls for all of her hard work making Gordon and I into a stronger team. Your dedication is appreciated. My favorite show memory from this year happened during APHA Nationals in Vegas when you rode Gordon and finished 3rd place in the Green Hunter Under Saddle. It was a deep pen of horses and my little horse surprised us both. You have brought Gordon so far and I am looking forward to what the future holds.

Thank you to all my barn mates at Premier Performance Horses for all your advice, encouragement and support. Good luck to everyone in 2025!

All-Around Champion Amateur Sue Merchant and Two Timin Gentlemen

I am incredibly honored to have won the 2024 All-Around Amateur Award. As I reflect on this year, I am filled with gratitude for my amazing horse, Rowdy. Over the past 14 years, our bond has grown stronger, and he has far exceeded my expectations with everything we've accomplished together.

2024 was a year full of highlights and new milestones. One unforgettable moment was at the Zone 2 show in Vegas, where we were named the High Scoring California Exhibitor – a complete surprise to me! Another highlight came at the APHA Nationals, where we earned two Reserve National Titles in Horsemanship and Hunt Seat Equitation (I'm finally learning my diagonals- Ha Ha!) We also competed at all the California Shows, earning numerous awards, including the 7CPHC Super Horse title.

A special thank-you goes to my daughter, Ashley, for piloting Rowdy so beautifully through all the senior trail courses and winning the top spot in California as well as 4th in the APHA Honor Roll. To my husband, Dennis, for holding down the fort while I'm on the road – thank you! To my fellow exhibitors, show staff, and volunteers - thank you for your encouragement and hard work. I wish you all an amazing 2025 and can't wait to see what lies ahead!

All-Around Champion Open Horse

Kyley Chelwick and Lazy Loper On Scotch

While I grew up around horses, Scotch is the first horse that is truly my own. We have been a team since the summer of 2022. Over the past 2+ years, I have watched Scotch develop into a true all around horse and my skills as a rider have improved right along with him. And in that time I have come to realize that the horse and rider team is actually much bigger than just the two of us.

Our team includes Karen Qualls, the most talented horsewoman I know. Her ability to consistently develop phenomenal horses and riders is unmatched. Not only did she ride Scotch to some impressive wins in Senior Hunter Under Saddle, she is the one who found Scotch for me and was the first to believe in us as a team. She had a clear vision of our bright future and has worked tirelessly to make it a reality.

Our team also includes Lauren McNabb, who I will never be able to thank enough for making Scotch her “teacher’s pet”. Her dedication and attention to Scotch’s growth and success is something special to witness. She also gets the credit for showing Scotch to consistent high placings in Western Pleasure and Trail. This win would not have been possible without her hard work.

Finally, my favorite part of the team, my family. Getting to compete alongside my mom (Randy), aunt (Toni), and sister (Spencer) is a joy and I wouldn’t have it any other way. My sister inspires me to work harder, my aunt reminds me to laugh and enjoy the ride, and none of this would even be possible without my mom who is simply the best.

I am absolutely thrilled Scotch won open horse high point this year! It truly was a TEAM effort, and I am lucky to be a part of this one. Thank you Mom, Toni, Spencer, Karen, and Lauren for all for the love and support, and thank you Scotch, this is just the beginning!

All-Around Champion All Breed

Kristine Lee and Hot N Lopin Cowboy

I have owned Hot N Lopin Cowboy (Ned) since 2019. His sire is The Original Cowboy. This is the first year that we have become the CCC All Breed Champion. Team Ned was Reserve State Champion in this category last year, and our team is growing and becoming stronger each and every year. I am Ned's owner. I share him with my daughter Kathryn (Katie) during lessons and at the shows. We support each other and "tag team" at the show switching riders between classes.

Ned has become a very versatile horse! To earn State and Reserve State Champion titles in multiple categories again this year under the training of Melissa Sachs is a dream come true. With her skill, dedication and numerous hours, she has created a Champion for both myself and my daughter. I cannot thank her enough, and I am very proud to be part of the TS Paints Show barn.

Katie and Ned compete in the All Breed classes at the shows. She has worked hard with Ned, and it shows! They have become a great team. Katie looks forward to showing again this year, with the hopes of moving up to the Amateur Division in the future. She wants to attend The Pinto World Show again!

Katie has been with Melissa Sachs and TS Paints for many years and has learned skills and developed strengths from Melissa's guidance. Katie and I are both so grateful for Melissa as a friend and a wonderful trainer. "Thank you for all of the time you have given to team Ned, Melissa!". I also want to thank my TS Paints Barn Family for your friendship and support each and every day.

All-Around Reserve Champion Youth Walk/Trot Molly Wunderlich and Old Gold Rhythm

2024 was my first year showing Paint Horses all around, and what an amazing year it has been. I had the incredible privilege to lease and show Old Gold Rhythm (Charles) in the 11-18 walk jog division! To the people who supported my goals, pushed me to reach for them and helped me along the way, thank you all so much.

My trainer Melissa is an amazing trainer. She pushes me every ride to do my best, still making riding the highlight of my day on the days I get to ride. Thank you Linda Tacklind and Kari McLaughlin for helping us understand what was needed for the horse shows, including paperwork for memberships, and for letting us borrow some of the necessary items! You have been so helpful and supportive.

Thank you so much, Mom and Dad, for financing all of the horse shows and helping in any way you can! The morning Starbucks runs were lifesaving!! We love the way you cheer us on during the entire show. You are amazing sports about it all, and I could not have done this without you.

My favorite classes are horsemanship and trail. I love to memorize patterns. It is so much fun to watch the other people in the class. Hunter under saddle is a really difficult class for me (which is funny because I used to be a hunter jumper rider). I really like to go first in a class. I know a lot of people like to wait, but for me going first is better because if I watch others go before me, I start thinking that I need to do things differently, like turn faster, back straighter, and that just makes me forget what I really need to focus on.

Outside of loving horses, I also love sharks, dogs and cats. I practically live in a zoo with two younger siblings and two dogs. We are always fostering animals, and we bought a horse in April!! His name is My Lazy Version (Willy)! I love him and am so excited to show him in 2025!

All-Around Reserve Champion Novice Youth Kendall Gaspar and Purely Dynamic

This year has been nothing short of amazing, and winning Reserve Champion Novice Youth All-Around is a moment I will cherish forever. At the start of the season, I wasn't even sure if I was going to be able to show Shay. The thought of not riding her in the show pen was heartbreaking because she is my forever and heart horse the one who means everything to me. I've been riding Shay since I was three years old, and for the longest time, she was my dream horse. Now, she's more than that she's my best friend, my partner, and my greatest teacher.

I can't thank Colleen (Mia) and my cousin Carly (Car-Car) enough for trusting me with this incredible horse. Shay has given me more than I

could ever ask for, and just when I think it might be time to retire her, she proves me wrong. She pulls through, gives me her all, and reminds me how much she loves her job. She continues to amaze me, and my love for her grows every single day.

A huge thank you to my trainer, Michelle Hofmeister, for everything she has done for Shay and me over the last two years. She has helped me grow so much, both as a rider and a person, and I wouldn't be where I am without her guidance. I've learned so much from her, and I am forever grateful for her support.

I also want to thank my entire barn family for all their encouragement, laughter, and help throughout the year. There's never a dull moment with them, and I'm so lucky to have such an amazing group of people by my side. To my mom thank you for everything. I know things aren't always easy, but you always make sure I have the opportunity to chase my dreams, and I couldn't be more grateful. To my nana and Colleen (Mia), thank you for believing in me and supporting me every step of the way.

This year has been unforgettable, and I'm beyond thankful for everyone who has helped me along the way. I don't know what next year holds, but I can't wait to see what's in store. Here's to more memories, dreams, and incredible moments with Shay!

All-Around Reserve Champion Youth All Ages Matthew Averil and Total Darkness

Total Darkness, also known as Mo, and I have been a team for the past six years. It has been an incredible journey, showing alongside many talented youth on the West Coast. The level of talent and style in this region is truly inspiring, and it's been amazing to watch everyone grow and succeed from a competitive perspective. If I had to pick a favorite class, it would definitely be showmanship. When I was younger, I danced, so when I started showing horses, showmanship felt like a dance. To me, it's always been like a dance requiring rhythm, cadence, and precision to truly excel. That's why it has always been my favorite. One of my favorite shows this year was Western National. The experience was very rewarding, competing against some of the top youth in the nation and being able to share those winning moments with my barn family! This year has been a blast, full of lessons that have helped me grow into a better rider and showman. It's made me reflect on how fortunate I am to be part of this crazy and wonderful thing we all love of showing horses. I'm forever grateful for the opportunities, experiences, and memories I've gained along the way. First and foremost, I want to thank Tammy Mills for her unwavering guidance and support throughout my youth career. I wouldn't be where I am today without

her dedication and hard work. I also want to express my gratitude to Phyllis Holt for her ongoing support and for giving my family the opportunity to lease such an incredible show partner. Finally, I want to thank my parents for making all of this possible. My mom especially deserves recognition for introducing me to this industry and for always encouraging my passion for showing horses. This year has been unforgettable, and I am so thankful for the memories I've created. I can't wait to see what the 2025 show season has in store!

All-Around Reserve Champion Amateur Walk/Trot Wendy Brown and Hesa Vision

HESA VISION was purchased from MC's Dragon Ranch LLC as an unshown 3 year old October 2023, with his very first show being the 7CPHC show November 2023.

Under the guidance and training of Bobbie Emmons Show Horses, "Lucas" has earned 4 Register of Merit Awards, 3 Superiors, as well as World and National Champion titles and several All-Around High Point Awards in one year's time. To say that we found a unicorn is an understatement. Lucas is as sweet as he is talented. While showing is wonderful, what I cherish most is spending time with my boy, making memories with friends and supporting one another in our individual successes. I truly appreciate the opportunity to be recognized by the California Coordinating Committee and to have participated in the well-organized California shows. THANK YOU SO MUCH!

All-Around Reserve Champion Novice Amateur **Ashley Gibson** and **Request an Invitation**

Hi, my name is Ashley Gibson, and my companion is Request an Invitation also known as Oscar. Oscar was born and raised at my family's ranch, and I have had the pleasure of seeing him grow into an amazing horse and friend. He has been so easy to work with and has taught me a lot this last year and he continually strives to learn with me. Every time I ask for a little bit more, he just says what next, let's go. We have not ventured out to many different classes as we both seem to really enjoy the pattern classes like Showmanship, Horsemanship and Trail and are just now working and learning Western Pleasure.

I want to give a huge thank you to my parents Jodi and Greg Gibson for having the passion to raise and train their own horses. They have shown me time and time again the joy of having horses in your life is no small thing. The time they dedicate, the patience, the sacrifices they have made do not go unnoticed. I would not have the love of horses or the horse industry that I have today without them.

It has been a blessing and pleasure being able to go to the CCC shows this last year and I look forward to the next show that we get to go to.

All-Around Reserve Champion Amateur Kristen Shaw and Almost Too Tempting

I am filled with gratitude for the success Almost Too Tempting (Addie) and I have achieved. The hard work that turned into a reality, and the people who have been part of this remarkable adventure make horse shows so much fun for me.

I want to express my deepest thanks to Tammy Mills. Your wisdom and encouragement have been my compass. To my fellow competitors, you continue to inspire and challenge me to be better. This award is a marker along a continuing journey. It is a reminder to keep striving, keep learning, and keep pushing towards our goals. May we all continue to grow and excel in the years to come.

All-Around Reserve Champion Open Horse Kristine Lee and Hot N Lopin Cowboy

I am so proud and excited for Hot N Lopin Cowboy (Ned) to be Open Horse State Res. Champion. The 2024 show season started off better than I could have imagined, and the rest of the show year did not disappoint. The season ended with my trainer Melissa Sachs riding Ned to greatness, winning Bridleless Trail and Super Horse at the last show for the second year in a row. Melissa also achieved the title of State Champion in Green Hunter Under Saddle this year. Hot N Lopin Cowboy (Ned) sired by The Original Cowboy, is such a versatile horse! I ended the year #6 on the APHA Honor Roll in Amateur Walk Trot Trail! Ned and my daughter Katie also had great shows excelling in the All Breed classes, including trail and western pleasure and horsemanship. She even got back into a Hunter Under Saddle Class. I try to ride three to four times a week to get stronger and more skilled in horsemanship and trail. I am looking forward to competing in the 2025 show season and possibly going to Pinto World Show in the future. I'm amazed at how much Team Ned achieved and how far we've come this year. I owe all of the success to my trainer and friend Melissa Sachs whom I have been with for many years at TS Paints. Without her dedication, time and patience, I know that the Team Ned would not be where it is today. I am so proud to be part of the TS Paints Barn. I am thankful for all the friendship and support of my Barn Family at TS Paints.

All-Around Reserve Champion All Breed Karla Oelsner and Invest In Tats Rhythm

Invest in Tats Rhythm, Melody, carries the legacy of the late and great Sire, Plenty Of Tats Rhythm and Dam, Zippity Do What. Being part of their story is an immense honor, and having the chance to show Melody has been one of the most rewarding experiences.

The opportunity to show Melody has been nothing short of a dream come true. From the very first moment we worked together, I knew she was special, and she has proven to be an extraordinary partner. This year, two of my favorite classes were trail and horsemanship.

Winning in both categories was not just a personal achievement but a testament to Melody's greatness. She

gave her all, and in return, she strengthened my confidence, taught me invaluable lessons, and helped me grow. I am endlessly thankful to have shown such a phenomenal horse. Melody's talent, heart, and spirit will forever be a part of my story.

I am deeply grateful to Hadley Bickford for allowing Asta and me to show Melody. I am forever appreciative of the trust placed in us. A heartfelt thank you to Melissa Sachs, who is our guiding compass, helping us navigate the paint-horse-showing world. To Linda Tacklind, thank you for being a constant source of support for all of us. Team TS Paints, it is a pleasure learning and showing alongside you. To my husband, Thomas, and our family – thank you for allowing me to chase my dreams. Your encouragement means the world, and I couldn't do this without you.

Celebrating our TS Paints Exhibitors and Horses for so many outstanding year-end achievements in the State of California!

1. Duties of Officers
 - a. **Chairman:** Shall conduct all meetings and serve in such capacity as normally associated with the chairmanship. At the first CCC meeting of each year, the chairman will select two people to audit the financial records with the Treasurer.
 - b. **Vice Chairman:** Shall conduct all meetings in the absence of the chairman and assist the chairman as required.
 - c. **Secretary:** Shall keep an accurate record of the business conducted and make available copies of these minutes to each member as soon as possible after each meeting.
 - d. **Treasurer:** Shall keep an accurate financial accounting and record of all monies used by the CCC or its committees or designees, present financial statements at least quarterly, and assist in the audit of these financial records by the end of each calendar year, December 31.
 - i. The Treasurer will work with the chairman's appointees to conduct the audit at a mutually agreeable location and present a written report of the audit to CCC within 30 days of the end of the calendar year but no later than the first CCC meeting of the next year.
 - e. **Immediate Past Chairman:** Shall remain on the CCC for one year to maintain continuity but shall have no voting rights.
- E. **Voting:** All clubs are entitled to one vote per representative present at meetings.
1. Member assessment fees from clubs must be paid on time (see G. 2.) or the club will lose all CCC privileges including but not limited to voting and CCC show approvals.
 2. To be a CCC approved club and for their members to be eligible for CCC Awards, the club must hold at least one CCC approved show each year or pay a \$500 participation fee. Payment in lieu of a CCC approved show must be made to CCC no later than November.
 3. No proxy votes shall be permitted. ANY PERSON REPRESENTING MORE THAN ONE CLUB AT THE CCC MEETING WILL ONLY BE ALLOWED ONE VOTE AND MUST DESIGNATE WHICH CLUB THE VOTE IS FOR.
 4. All issues pertaining to awards, new functions, or restructuring of the CCC shall be presented to all clubs before representatives shall vote.
 5. If two-thirds of the representatives decide that an issue is time sensitive, an item can be returned to the clubs for an electronic vote. The guidelines for such votes are: 1) they must be time sensitive; 2) deadlines will be set for each vote which must be made by e-mail, fax, mail, or phone. Phoned votes require a hard copy to be mailed within seven days; 3) 100% participation is not required but attempts will be made by Secretary or Chairperson to contact clubs; 4) only CCC reps or club president are authorized to submit votes.

2025 CCC Operating Guide

- F. **Horseman of the Year:** Each year, if representatives deem there is a worthy person(s), a Paint Horseman of the Year shall be voted on and an appropriate award shall be given to this person(s), with story and photo published in the Directory.
1. Criteria for Paint Horseman of the Year
 - a. This award shall be bestowed on a person who has, through voluntary services, helped in the promotion of Paint Horses and Paint Horse clubs in the State of California.
 - b. Recommendations for Paint Horsemen of the Year shall be submitted by clubs IN THE FORM OF A WRITTEN BIO AT THE MEETING PRIOR TO THE LAST MEETING OF THE YEAR. No Nominations will be accepted after that meeting and CCC reps will vote at the last meeting of the year.
- G. **Membership Assessment:** To defer some of the directors' expenses, a \$5 assessment per membership of each club is to be calculated by December 31st of each year. In accordance with APHA requirements, membership list must include member name, APHA ID, mailing address, phone, and email. This ensures members are properly listed in the Directory and receive a hardcopy of it in the mail.
1. All clubs will be charged a minimum of \$100 (20 x 5) or \$5 times the actual number of the club's members, whichever is greater for CCC member assessment purposes.
 2. Membership assessments are due to the CCC Treasurer by February 1 for the prior year's assessment. **Assessments not received by February 1 will be charged a late fee of \$100 in addition to the membership assessment.**
 3. All membership assessment money for the convention is to be divided and paid equally to the number of attending California national directors representing CCC participating clubs.
 4. Director must be a member of a CCC participating California-based APHA regional club as of December 31 of the prior year to receive monies.
 5. Directors must present a written or verbal report to a CCC Participating regional club within 30 days of their return and a written report within 30 days must be sent to CCC treasurer before any monies will be paid. Verbal report must be verified by club president or the receiving club's meeting minutes.
 6. NO CHECKS WILL BE ISSUED TO CALIFORNIA APHA DIRECTORS UNTIL ALL MONIES ARE COLLECTED FROM REGIONAL CLUBS BY CCC; ROLL CALL AT APHA MUST BE ATTENDED TO BE ELIGIBLE TO SUBMIT REPORTS TO RECEIVE ANY PAYMENT.

II. Requirements for CCC Show Approval

NOTE: Unless by unanimous vote of all CCC representatives, these rules and approved classes cannot be changed or added to once the current year's Directory is published, nor can show dates be changed or added to without the approval of the CCC. California clubs will be allowed eight judges per year to count toward CCC points. Youth/Amateur, Specialty, and 1 or 2 judge shows do not count toward the 8 judges but do count for CCC points.

- A. Class awards will be given to each qualified exhibitor based on the current year's entrants per class, meeting the minimum number of judges and minimum number of points earned in all categories. CCC WILL AWARD HIGH POINTS AND RESERVE HIGH POINTS IN EACH CATEGORY.
- B. Sponsorships will put in the general awards budget. Sponsorships are welcome at any time, though any sponsorships received after the directory goes to print will only be listed on the CCC website.
- C. All California APHA-approved shows and classes will be eligible for points, provided the CCC approves them and they adhere to the committee's rules. No new show events will be approved for CCC points unless there is one weekend between show events. A show is not considered a "new event" if a show date varies by 1-2 weeks, forward or backward, due to a change in the APHA calendar, venue availability and/or a Federal holiday.

2025 CCC Operating Guide

- D. Premium lists or notification of the show must be mailed, emailed, or published online (website, social media including Facebook) to all current regional club members at least two weeks prior to the show.
- E. Any club may request one youth/amateur show to be held at any 4 judge or less, non-combined show on the same weekend as their show. Any club holding a 2 day show can also hold a youth/amateur show on the same weekend.
- F. AWARD FEES: All shows will be assessed \$1.00 per entry per judge on all approved classes or a minimum of \$50 per show to cover award costs.
- G. ADMINISTRATIVE FEES: All CCC approved shows will pay \$1.00 per horse/per judge to the CCC to offset administrative costs.
- H. ALL FEES are to be sent to the current CCC treasurer within 15 business days of the show. The official CCC payment information form, available from show secretary or CCC treasurer, must accompany the fee check. Failure to provide the form with correct information will result in a delay of processing the fees and could incur late penalties. State points will not be posted until the correct fees are paid. **The CCC treasurer is: Denise Escover, 2520 Fallon Rd, Hollister, CA 95023, Phone: 831-902-0572, Email: d4vintnr@gmail.com**
- I. Completed show results must be submitted (mailed or emailed) to the pointskeeper **within 15 days after the completion of the show**. Submission of results by individual clubs will be in a format consistent with pointskeeper requirements (APHA Compatible Disk). Clubs will be charged an hourly fee for error repairs, show building and scoring if APHA compatible disk is not submitted as stated in pointskeeper contract. **The CCC pointskeeper is: Jennifer Mendes, Email: MJMShowServices@gmail.com**
- J. Penalties
 1. These rules will be strictly enforced for show approval. Shows can be fined at CCC discretion.
 2. A fine of \$100 will be assessed to any club that does not forward **results or show fees on time**. Pointskeeper will notify show secretary, club president and CCC treasurer when results have not been received on time.
 3. Points will not be posted until all monies and fees are paid.
 - a) **Pointskeeper will publish revised state points within 15 days of receipt of results and fees.**
- K. All APHA rules are to be observed at all CCC-approved shows.
- L. Club must notify the CCC Secretary via email at least 30 days in advance of any CCC-approved show that will be cancelled in the same year it is to be held. The CCC Secretary will advise all CCC officers and representatives via email within 48 hours.

III. Exhibitor Requirements (Open, Amateur and Youth)

- A. Only California regional club members are eligible to accumulate points toward CCC year-end awards. Owner of the horse must be a member. Club must be in good standing with CCC for points to count.
- B. Points are not accumulated until membership club dues are paid for the current year (points are not retroactive).
- C. Only one member of a partnership horse need be a member of a regional club for that horse to be eligible. Ranch-owned horses are eligible if ranch owner is a member.
- D. A club secretary or representative will notify any exhibitor or owner who has an uncleared or outstanding debt to that club. The exhibitor will be allowed 10 days to clear such debts. After 10 days any points earned by the exhibitor or any horses shown by said exhibitor at that show or any

2025 CCC Operating Guide

show afterward will not be allowed. When the debt is cleared, points will again be accumulated but none will be retroactive.

IV. Additional Amateur Exhibitor Requirements

- A. Amateur must have current APHA amateur card or current APHA novice amateur card.
- B. Amateur's horse must be owned by him/her or the amateur's immediate family, according to the applicable current-year APHA rule to receive points.
- C. To be eligible for year-end class award, the horse/rider combination must earn points under a minimum of 12 judges and earn at least 15 points except in Longe Line and In Hand Trail, where a minimum of 8 judges and 10 points are required.

V. Additional Youth Exhibitor Requirements

- A. Youth's horse must be owned by the youth or the youth's immediate family, according to the applicable current-year APHA rule to receive points. (Leadline exempt from this rule.)
- B. Youth points will be tallied based on one horse/one rider. (Leadline exempt from this rule.)
- C. The same horse may be declared by more than one youth as long as APHA rules governing youth participation are adhered to (e.g., the same horse may not be ridden in two youth Western Pleasure classes) (APHA).
- D. Youth's age is determined by the age he/she is on January 1 (APHA).
- E. Youth may not ride or exhibit a stallion in any youth class (APHA).
- F. Any youth entering a lope class will not be eligible to enter the Youth Walk/Trot classes at that same show.
- G. To be eligible for year-end class award, the horse/rider combination must earn points under a minimum of 8 judges and earn at least 10 points.

VI. Points Tabulation & Class Awards

- A. All classes shall be awarded points according to the chart at the end of this guide.
- B. The year-end awards for each class shall be determined by combining the points earned under the best 25 judges in that particular class. Horse/amateur must earn points under 12 judges and have at least 15 points in that particular class to be eligible for a year-end class award except in Longe Line, In Hand Trail, Two Year Old Western Pleasure and Two Year Old Hunter Under Saddle where a minimum of 8 judges and 10 points are required. Youth must earn points under 8 judges and have at least 10 points in that particular class to be eligible for a year end class award.
- C. The points system is based on the fact that horses or youths are competing only against the horses or youths their own age for an award given to their age group (e.g., Junior and Senior). Before state points can be tabulated in a combined class, horses or youth shall be separated into their appropriate age levels before points can be awards.
 - i. (Example #1: Junior Reining has one entry, Senior Reining has two entries and it is agreed by all concerned to combine the classes. The Junior horse can receive only one state point in this combined class.)
- D. Classes that are awarded on an all-age basis, but split on the premium list or are split at a show, shall have points awarded according to the points chart, with the number of horses competing in their respective age groups.
- E. In the all-age classes and the youth 18 & under classes, points are calculated on an all-age basis, and the total number of halter or performance points are added to the particular horse's or youth's score.
- F. Grand champion and reserve grand champion will not be awarded extra points, as they are competing for awards in their age level only.

2025 CCC Operating Guide

- G. In the event of a tie between two or more horses for a high-point or class award at the end of the horse show season, the horse with **the least amount of judges** shall be declared the winner. If there is still a tie it will be broken by **head to head competition**. **If a tie still exists, both horses will be declared co-champions.**
- H. In any dispute arising between seller and buyer of a horse receiving a CCC year-end award, the rights to that award will be settled strictly by the respective parties involved and will not involve the CCC.

VII. High-Point Awards

- A. Points for these awards will be tabulated as in the regular awards program. Show and exhibitor eligibility and all other rules shall be the same as in regular awards rules.
- B. The CCC will give a High-Point Horse award and Reserve High-Point Horse award for Open, Amateur, Youth All Ages, Novice Youth, Youth Walk/Trot All Ages, Novice Amateur, and Amateur Walk/Trot.
 - 1. Awards are based on points earned by one horse/one rider combination in their respective division except the Open award, which is based on all points earned by the particular horse in Open classes regardless of rider/exhibitor.
 - 2. The High-Point Horse must exhibit in a minimum of three performance classes and must earn a minimum of 10 points in each class for this award.
 - 3. The High-Point Horse must exhibit in a minimum of three performance classes at each show for that show to be eligible for points toward this award.
 - 4. Points will be tabulated on the best 25 judges. All APHA classes in their respective division will count toward this award. Note: all APHA youth classes will count toward the Youth All Ages award except Novice Youth or Youth Walk/Trot classes, which will count toward their own respective awards.
 - 5. Halter points earned in the respective division will count toward this award but are not mandatory.
 - 6. To be eligible for High-Point Awards, the horse or horse/rider combination must:

Division(s)	Earn Points under Minimum Number of Judges	Earn Minimum Number of Points
Open, Amateur, Novice Amateur, Amateur Walk/Trot	12	15
Youth, Novice Youth, Youth Walk/Trot, Longe Line, In Hand Trail, Two Yr Old WP & HUS	8	10

VIII. Memorial

- A. Any club or individual that wishes to establish a memorial award must first submit the request in writing to CCC no later than the September meeting. If approved, the award would go into effect the following year and all requirements and notices will be published in the directory. The written request should indicate the name with a short bio of the person or animal for whom the award is named. The request must specify the criteria to determine the winner of the award. Such requirements should not conflict with existing points keeping rules and should be approved by the current pointskeeper. The establishing club or individual must agree to reimburse CCC each year for the cost of the physical award given to the winner. If there is a preference, the request should also indicate a budget and/or what type of award will be given (e.g. bronze, statue, plaque, etc).

2025 CCC Operating Guide

- B. CCC is not responsible for awards picked up by any person other than the winning exhibitor. Any dispute arising regarding awards earned by a horse which has been sold is to be worked out between the buyer and seller. Awards must be picked up by recipient or their designated representative by the end of the awards banquet or the award will be forfeited to CCC. All shipping and handling fees for awards not picked up in person are the responsibility of the award recipient and must be paid in advance of shipment.
